It is time to sign up for small groups!
Meetings will begin the week of September 16th.

(Sign ups will continue through September 9th)

Jesus calls us to become his disciples. Discipleship is the center activity of the Church and it's the Method within Methodism. Covenant Discipleship Groups help us to fulfill our calling. In a Covenant Discipleship Group, the members of the group define discipleship and then they support one another in the practicing of their discipleship.

"Small groups provide a platform for community within the congregation – community that provides love, encouragement, grace and growth together and individually. They are an avenue for witness and discipleship through "acts of compassion, justice, worship and devotion under the guidance of the Holy Spirit. In Christ-centered congregations, members who hear the words of Jesus are equipped to act upon them in joyful obedience, and they in turn lead others to do the same." – excerpt from DISCIPLES MAKING DISCIPLES by Steven W. Manskar
